**SPORTSMANS
#1 Choice!**

**VERSATILE
RELIABLE
DESIGNED to PERFORM**

The Yukon is the industry's only classified mid sized boat under 20' that boasts an **amazing beam width of 102"** providing unmatched available floor board area and stability. That means you get piece of mind and the ability to get where you're going in all water conditions. The progressive dead rise of the boats bottom from 18 degrees at the transom to 50 degrees at the bow, in combination with our signature full width outboard bracket and high sides for safety, has turned the Yukon into the **Elite Sportsman's Choice**.
